Maintain 2 Engines and a Ladder coverage at all times.

Notify Mid-state at 5th alarm as an FYI

Reminders (building inspector, National Grid, Wiring inspector, red cross, and Marshall's Office)

Notify command of time operating at fire in 20 minute intervals.

Incident Command may special call any town or piece at his discretion (example, W/F may need just an extra engine or ladder and nothing else due to it being a small fire)

LANCASTER 10 ALARM RUNNING CARD

IF WORKING FIRE CONFIRMED IN NORTH LANCASTER FOLLOW BELOW, WORKING FIRE AND 2ND ALARM WILL BE DIFFERENT FOR 3RD ALARM AND ABOVE REFERNCE ABOVE RUNNING CARD

Lancaster E5 & 2 tankers on W/F, Shirley & Harvard then at the request of command additional tankers available from(Westminster E2, Bolton E3 & E5, Fitchburg E6), Also automatically start Leominster Engine 4, to fire, Devens as RIT team, Fitchburg or Leominster ladder whichever is available
